Principal's Message

Oh how time flies when you are having fun...and we are having a lot of fun here! Can you believe our school year is already a quarter of the way over? So many great things have happened already and we plan to keep building off a great start.

In September we reported on the four areas we want to focus:

1. Focus on Growth
2. Positive Personal Relationships
3. Collaboration
4. Top Notch Tier 1 Instruction

So, where do we stand at this point. Here is what we are seeing.

1. We have met with every teacher to discuss classroom data and how we should push forward. Teachers have a plan on how to help push the whole class and which students may need more targeted assistance.
2. We have given out over 550 Cool Colts Tickets for individual student behaviors and 300 Stars for positive class behavior. It's been so fun! The feel of the school is positive and we plan to keep it there.
3. Teachers are meeting weekly to plan and talk about students. We have done our first of several short trainings to help make our collaboration more effective. We have established a great relationship with our PTA and Community Council.
4. We have been in every classroom multiple times and we can say your students are in good hands. The instruction is REALLY good. But, teachers continue to participate in LETRS training to make us even better.

From our perspective, we are heading in a great direction. It helps to have such a supportive, positive community behind us. Thank you for what you do!

Mr. Forsgren and Ms. Hansen
