SNOW HORSE STAMPEDE

Principal's Message

When we began working at Snow Horse, so many people told us that we had no idea how amazing the school musical was going to be. This past week, we truly learned that the school musical was phenomenal!!! We couldn't believe the talent level of the students. It was hard to believe the performances were done by students at an elementary level. These performances were NEXT level. We were so proud of all the students involved in the musical; from the stage crew, to those doing the lighting, to performers themselves. It was absolutely incredible!!!!

Behind that great performance was a large group of parents who put in HUNDREDS of volunteer hours. They were here early and late for months. All their hard work and dedication made it happen. We express our deep gratitude to all those who helped carry on this tradition of excellence in the performing arts. We can't say thank you enough and how much we look forward to seeing what they come up with next year.
