Principal's Message

Halloween is upon us and we want to have fun with your students. This year we are going to bring back the Halloween Costume Parade at Snow Horse and parents are invited to observe.

Before we give you all the information, we need to ask for your help. This Halloween Parade is so much fun for so many students. However, due to some controversial costumes, some schools have decided not to continue with this tradition. We want to keep this tradition going forward, but we have to be responsible as a community. It only takes one incident before we are forced to cancel the parade. We ask that you err on the side of kind, respectful costumes. If you have questions about your costume, please ask us. We ask that you are mindful towards all cultures, races, nationalities, and ages when making your choice. If in any way, you wonder if something could be offensive to anyone in our community, please save that costume for home so we can keep this tradition alive.

Here are the details you should know:

- Parade will start in the kindergarten rooms at 9:00.
- Parents should be in the cafeteria or gym. We will overflow into the Hallways as directed.
- Costumes should be functional; meaning students need to be able to work and go to recess in them or bring a change of clothes.
- Costumes must still follow the school dress code.
- Masks can be worn during the parade only.
- No face paint.
