### Great Student Comment:

*A conversation I had with a kindergarten student during orientation.*

**Me:** Are you excited about being in kindergarten?

**Student:** Excited AND happy. But It's going to be hard for my mom to have me be away.

**Me:** I bet she'll miss not having you home part of the day.

**Student:** Oh yeah. She cried all the way to preschool when I was in preschool, so this kindergarten and me is going to make her really sad.
