SNOW HORSE STAMPEDE

Dear Snow Horse Families,

We appreciate your support as we begin this 2020 school year! We are so grateful to have your students back in school with us. A third grader said it best, "Staying home is overrated!" As a reminder the Stampede will be sent out every Tuesday. Please be sure to read the PTA section and share a laugh with us from the "Have you Giggled Today?" page, which highlights the funny things our little Colts say throughout the day. If your student is spotted in the Stampede, you can email me and your child will be called down for a prize!

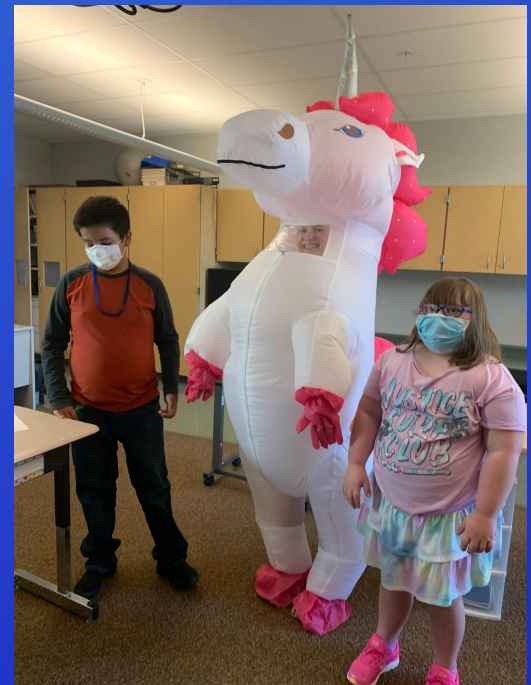

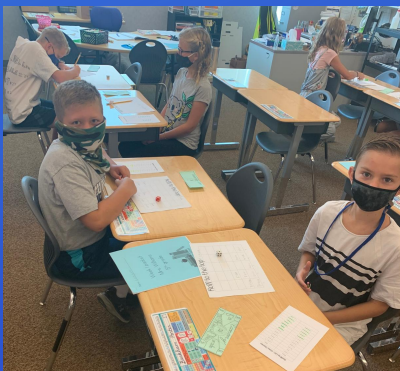

As we continue to monitor the health and safety standards from the State and local health departments, new guidelines are assessed and implemented. Current district mandates required the use of masks during recess. This requirement has now been lifted and went into effect Monday. Please read the following summary on masks at recess for Snow Horse Elementary:

- Students during recess will not be required to wear a mask. This is now optional.
- Students will still need to wear a mask upon lining up in the morning and at the conclusion of each recess on the designated dots.
- Masks will be worn during dismissal and while waiting in the drop-off/pick-up lanes.
- This change does not include adults. All staff supervising recess/dismissal will continue to wear a mask.

Thank you again for sharing your students with us here at Snow Horse Elementary. Onward and Upward- Go COLTS!

Sincerely,

Principal Joni Slater, M.Ed
