Class Lists

Will be posted this Friday at 10:00am. However, 2nd Grade lists will not be posted. We were just granted an additional teacher to ease the high number of students in second grade. We will finish interviewing for that position at the end of this week. 2nd Grade lists will be posted Tuesday, August 14th.

Classes were put together in order to create a balance based on 1) total number of students in the grade, 2) boys and girls, 3) academic abilities, 4) social/behavioral situations, and 5) other factors that could impact the dynamics of a class. Please know that many hours of work have been put into the formation of class lists. It is very important that this balance stay intact. At this point, while requests for changes will be put on a waiting list, there is no guarantee that any changes can be made to class assignments. I appreciate the trust that you have in this process, and ask for your continued trust and support as we proceed forward with the aforementioned class assignment process.

Change Your Words, Change your Mindset—Snow Horse Students Have a Growth Mindset.

School-wide we've been focusing on growth mindset. Here are some phrases that students hear at school and are also helpful to use at home.

Instead of "This is too hard." - "This may take some time and effort"

Instead of "I'm not good at this." - "What am I missing?"

Instead of "I'll never be as smart as her." - "I'm going to figure out what she does and try it."

This year's **technology goal** is to provide at least one mobile lap top lab per grade level. We currently have four laptop labs. Please help us meet our goal by **attaching your Smith's Fresh Values Card to Snow Horse Elementary.**
