Hi Parents!

We all survived our first week of Remote Learning! Above is our daily schedule for the week of April 6-10. We won't be handing out packets at the school, so I have added the daily math page, spelling words, fluency, and sight words for this week below. I have also attached more journal pages (you will need to print one for each day) for their daily writing and lined paper.

Seesaw

I will be adding some fun reading and math activities on to Seesaw along with daily videos. So make sure to have your students check Seesaw daily. We are required to have daily check-ins with all our students. Seesaw will be our main source of daily check-ins. **Your student needs to post their Daily Writing Journal on Seesaw for their check-in; This includes reading it.** Students can "show off" their daily math and post it for me to see. If you need their Seesaw login again, please let me know. Their Seesaw login is not the same as their Clever login.

Zoom

We will start to do weekly "Zoom" calls as a class on Wednesdays at 10:00 a.m. These calls will only be about 15 minutes long. The app is already on your student's iPad, and you will receive a weekly e-mail with the Zoom information.

I have loved seeing, and hearing, your students work on Seesaw!

Let me know if you have any questions!

Thank you for all that you are doing at home, you are all amazing!

-Mrs. Mason

Unit 5.4

What sounds can you hear? How are they made?

Fluency and Accuracy

Blend the sounds smoothly as you read.

how down out found house
bounce crown frown wow
south mouse count shut shout
pot pout find found fork
store girl burn part germs

How loud is the sound of the crowd?
Did the clown frown when he fell down?
Now we found a mouse in the house!

down out how found house
crown wow out frown sound
louder loudest rounder roundest
prouder proudest shorter
shortest playground doghouse
power towel

Just now the crowd got very loud.
We found our lost cow in the next town!

Sight Words

Please choose the appropriate list for your child's skill level.
Read the words in several sessions until they are learned.

Benchmark Zeno Words	Challenge Words
the	color
they	early
them	instead
then	nothing
than	oh
that	(Vocabulary words) scrambled
these	suddenly
their	volume
there	senses
people	squeaky
water	nervous
through	distract

Spelling Orally segment the **sounds** as you
spell these words in sentences. Use lined paper.
