

APRIL 13, 2020

# SNOW HORSE STAMPEDE

## KINDERGARTEN ROUND-UP & NEW STUDENTS

Our Kindergarten Round-Up will be done electronically this year. Please visit our website or follow the link below to get your child registered today! We are so excited to welcome our newest COLTS to Snow Horse!

We kindly ask for help to spread the word among neighbors within our boundaries about our efforts to account for each kindergarten child. We also want to encourage any new families in our area to contact the school early to register all students at every grade level. This information is critical as we begin to create next year's class lists. Thank you!

Kindergarten registration forms should be submitted on or before April 24th. Each document on our website can be downloaded as a fill-able form. These forms then can be sent as an attachment to our school secretary @ [rebeccas@dsdmail.net](mailto:rebeccas@dsdmail.net)

In regards to proof of residency, please simply scan or send a picture along with your documents. Please note, that these will be verified then deleted/shredded. We also have included a kindergarten assessment to help us prepare to meet the needs of each student. This information will also be used to balance classes, and can provide you with valuable information on what skills can be practiced over the summer months. State law mandates that upon registering new students the original birth certificate with a valid I.D. (driver's license) from the legal guardian must be verified. To meet this requirement, the school will be holding a Registration Fair. This date will be finalized & communicated as more information is shared from the CDC, health departments and local governments on the Stay Safe, Stay Home directive. Tentatively it has been calendared for the end of July.
