Snow Horse Stampede

Dear Snow Horse Families,

Dr. Martin Luther King Jr. said, "Intelligence plus character- that is the goal of education." It is that time of year! The **Educational Equity Department- Speech Contest** is now open. Please encourage your students to participate. 1st place awards are \$100, 2nd place awards are \$75, with 3rd place at \$50. Contact your child's teacher for more information.

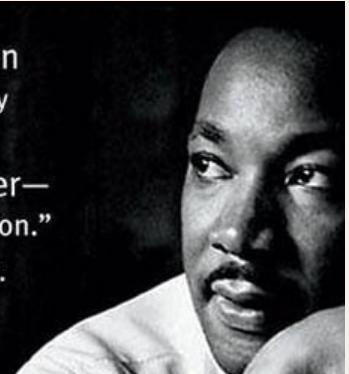

Snow Horse Colts are going to change the world! Students, please show us how you are going to change the world through dance, short film, a poem or story, an original song, photograph, drawing or painting. We want to see your creativity! Entries during the annual **PTA Reflections Contest** are due October 22nd. All participants will be invited to a participation social with ice cream too! We are also looking for volunteer judges. Please contact Mrs. Lori Ann Berg if you or someone you know would be interested.

This Friday, Oct. 1st will be the **Walk or Wheel to School event** as part of our Safety week. We will be encouraging our students to use the safe routes and follow our school safety rules. Watch for PTA members before and after school along your route for a little safety treat.

Check out our Infini-D lab photos! This week our sixth grade students helped launch the very first test mission. This transformational experience was funded in part by the community's generosity during our annual Technology Fundraiser. Each Friday, students will have the opportunity to refine their problem solving skills while working together collaboratively. Needless to say... the mission was a success. Thank you for your continued support. Go Colts!

Sincerely,
Principal J. Slater, M.ED

"The function of education
is to teach one to think intensively
and to think critically.
Intelligence plus character—
that is the goal of true education."
