

# **Prep Time Enrichment**

## **Week Two March 23-27**

**Computer Lab: Mrs. Hansen's Web Page:** <https://snowhorse.davis.k12.ut.us/faculty-staff/teacher-pages/~board/teacherselementary-emily-hansen-board>

**1st-2nd Grades:** Choose a Keyboarding activity from my board that you love or maybe haven't tried before. Using your iPad and Educational Minecraft, create a Tree House in a world of your choice. Be creative!

**3rd-4th Grades:** Practice your keyboarding skills in Edutyping or challenge your friends to a virtual Nitrotype battle. Using your iPad and Educational Minecraft, create a book cover to your favorite book.

**5th-6th Grades:** Practice your keyboarding skills in Edutyping or challenge your friends to a virtual Nitrotype battle. Remix my Character Builder Project by searching for emhansen in Scratch. Using your iPad and Educational Minecraft create a world with buildings, people, animals, etc. Play Survival if you want.

**Art Studio: Mrs. Stringham's Web Page:** <https://snowhorse.davis.k12.ut.us/faculty-staff/teacher-pages/~board/teacherselementary-terra-stringham-board>

**1st-2nd Grades:** Using your iPad and Educational Minecraft, design a new animal.

**3rd-4th Grades:** Using your iPad and Educational Minecraft, do the Classroom Building Challenge Patterns, Repetition, and Rhythm.

**5th-6th Grades:** Using your iPad and Educational Minecraft, do the Classroom Building Challenge Museum of Me.

**P.E: Mrs. Morrell's Web Page:** <https://snowhorse.davis.k12.ut.us/faculty-staff/teacher-pages/~board/teacherselementary-karleen-morrell-board>

**All Grades:** Using your iPad and Educational Minecraft, do the Classroom Building Challenge of Build a Labyrinth. Take your design outside and use sidewalk chalk to recreate your project. Make it a Hopscotch (Hopping/Jumping) game and mix in some locomotor challenges. (Skipping, Galloping, Sliding, Leaping, Walking, Running) Challenge your family to navigate through your Labyrinth.
