Games from Around the World

**ALL Grades:** Check out my board (through the link above) for some fun games I found. They are from different countries around the world! I can imagine us playing these in our PE classes – what a blast it would be! Try them out with your family this week. Look for *Mrs. Morrell's tips* in the instructions. You could also try to find the country on a globe or map of the world! Tell me about the games you tried in an email – [kkmorrell@dsdmail.net](mailto:kkmorrell@dsdmail.net) Which one was the most fun? Most challenging? Silliest? It would also be great to see pictures of you playing! Send your pictures to Mrs. Slater or Mrs. Gibby, they might want to include them in the Stamped.
